

## Year 1 Curriculum Flyer Autumn term 1

Please read the following information to find out about your child's learning this half-term

In **English** we are reading 'Where the wild things are' by Maurice Sendak. We will focus on developing our writing and explore the story discussing change or the sequence. We will also be acting out the story using our drama skills. We will also be looking at verbs and how they are used in the story and how we can use them in our own writing

In **Maths** we are going to be learning our place value and becoming very confident with our numbers to 10 by reading writing and working towards more than and less than.

We are then going to learn addition and subtraction to 10 also using our number bonds.

In **Science** we are looking at Animals and humans, we will be looking at the human body and working scientifically to learn about what is living, what has lived and what has never been alive. We will explore the school grounds to help us with our findings

*Our wider curriculum work will include...*

**Geography:** Year 1 will explore the Mansfield and Nottinham area looking at the similarities through the study of human and physical geography.

**Art:** Using paint to explore colour. Looking at primary colours secondary colours.

**RE:** Focusing on belonging and the Christian faith.

**History:** Looking at what it used to be like when our parents and grandparents were living and what has changed.

**Computing:** We will be getting familiar with using a laptop by working on logging on, using the mouse and learning how to use computers safely.

### Useful Notices

P.E. is every Thursday doing Gymnastics with Mr Wilson. Please make sure your child has kit.

We are aiming to read 5x per week at home. Please sign in their reading diary to say you have heard your child read.

Coats will be needed every day as weather is changeable going into autumn.

Please provide a water bottle for your child containing only water.
